Help Us Improve MetaMask

MetaMask would like to gather usage data to better understand how our users interact with the extension. This data will be used to continually improve the usability and user experience of our product and the Ethereum ecosystem.

MetaMask will..

- ✓ Always allow you to opt-out via Settings
- ✓ Send anonymized click & pageview events
- ✓ Maintain a public aggregate dashboard to educate the community

- ✗ **Never** collect keys, addresses, transactions, balances, hashes, or any personal information
- ✗ **Never** collect your full IP address
- ✗ **Never** sell data for profit. Ever!

This data is aggregated and is therefore anonymous for the purposes of General Data Protection Regulation (EU) 2016/679. For more information in relation to our privacy practices, please see our [Privacy Policy here](#).

Type the password you want and then Click on “Create”. Please note that in case you lose your password Metamask won’t give you your password.

Secret Backup Phrase

Your secret backup phrase makes it easy to back up and restore your account.

WARNING: Never disclose your backup phrase. Anyone with this phrase can take your Ether forever.

sort visual cube raw liquid under
between pole uncover mad lyrics
panther

Next

Tips:

Store this phrase in a password manager like 1Password.

Write this phrase on a piece of paper and store in a secure location. If you want even more security, write it down on multiple pieces of paper and store each in 2 - 3 different locations.

Memorize this phrase.

[Download this Secret Backup Phrase and keep it stored safely on an external encrypted hard drive or storage medium.](#)

Mention the seed word for confirmation. And then press “Confirm”

← → ↻ MetaMask | chrome-extension://nkbihfbeogaeaoehlefnkodbefgpgknn/home.html#initialize/seed-phrase/confirm ☆ 🏠 👤 ⋮

< Back

Confirm your Secret Backup Phrase

Please select each phrase in order to make sure it is correct.

sort	visual	cube	raw
liquid	under	between	pole
uncover	mad	lyrics	panther

mad	between	lyrics	uncover
raw	visual	under	cube
sort	liquid	pole	panther

Confirm

Click on “All Done”

Congratulations

You passed the test - keep your seedphrase safe, it's your responsibility!

Tips on storing it safely

- Save a backup in multiple places.
- Never share the phrase with anyone.
- Be careful of phishing! MetaMask will never spontaneously ask for your seed phrase.
- If you need to back up your seed phrase again, you can find it in Settings -> Security.
- If you ever have questions or see something fishy, email support@metamask.io.

*MetaMask cannot recover your seedphrase. [Learn More](#).

All Done

Your Metamask Account is ready

Restore

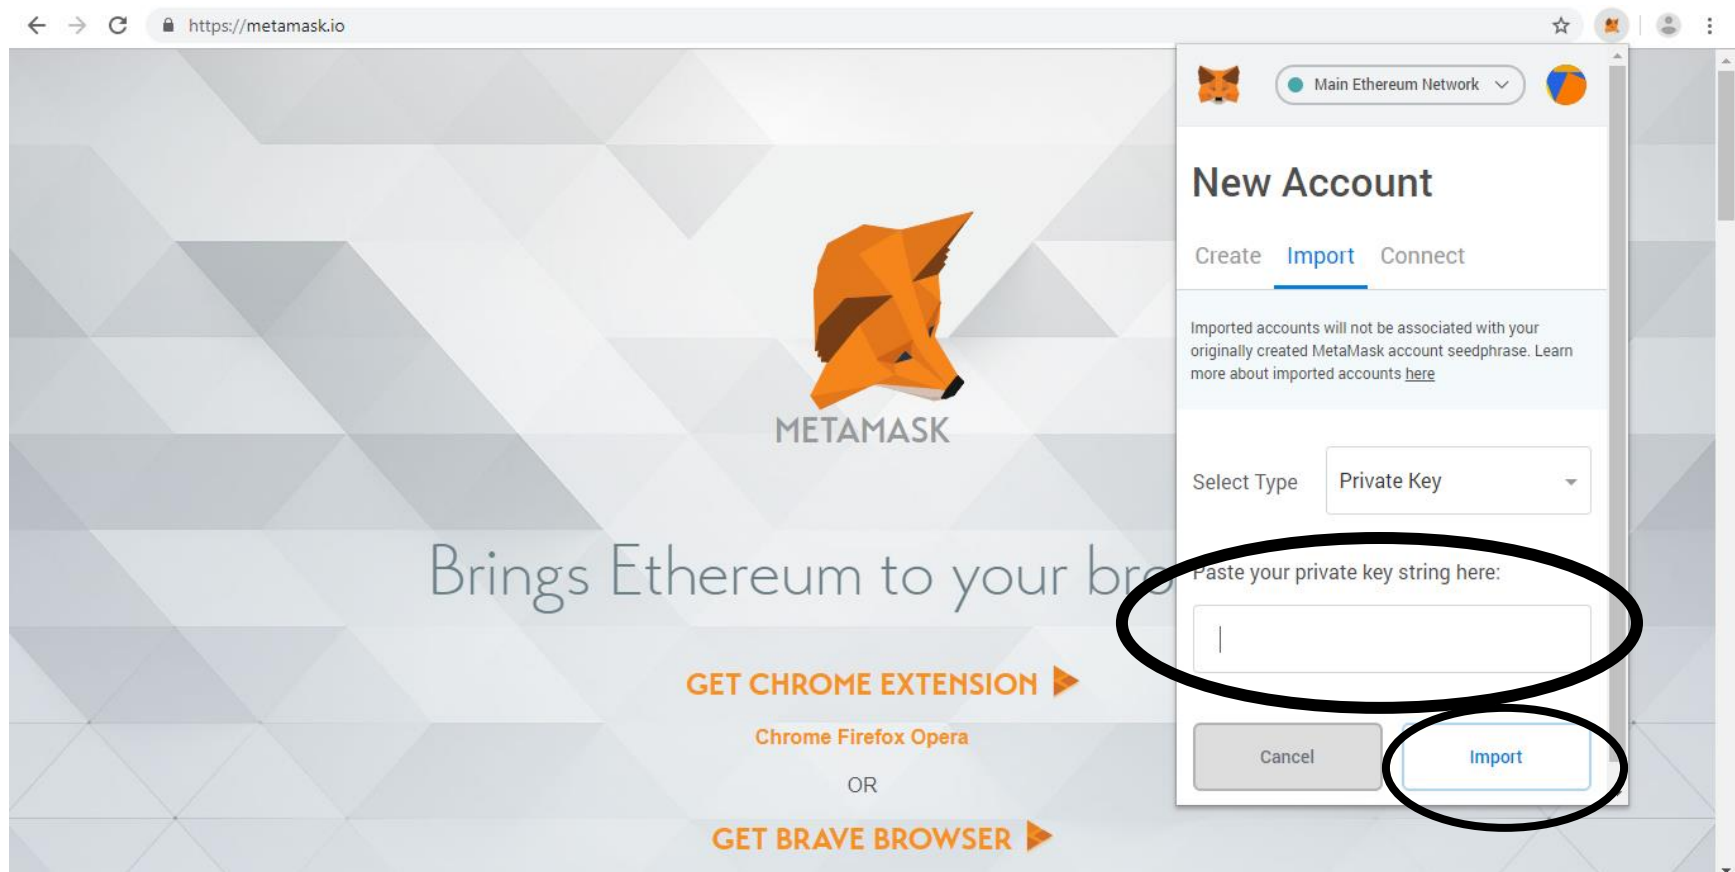

The account is restored. Remember if you have any imported wallet then that won't be restored. You have to import it again using Private Keys. Therefore you need to keep the private key of each wallet and seed words of the metamask account very very carefully.

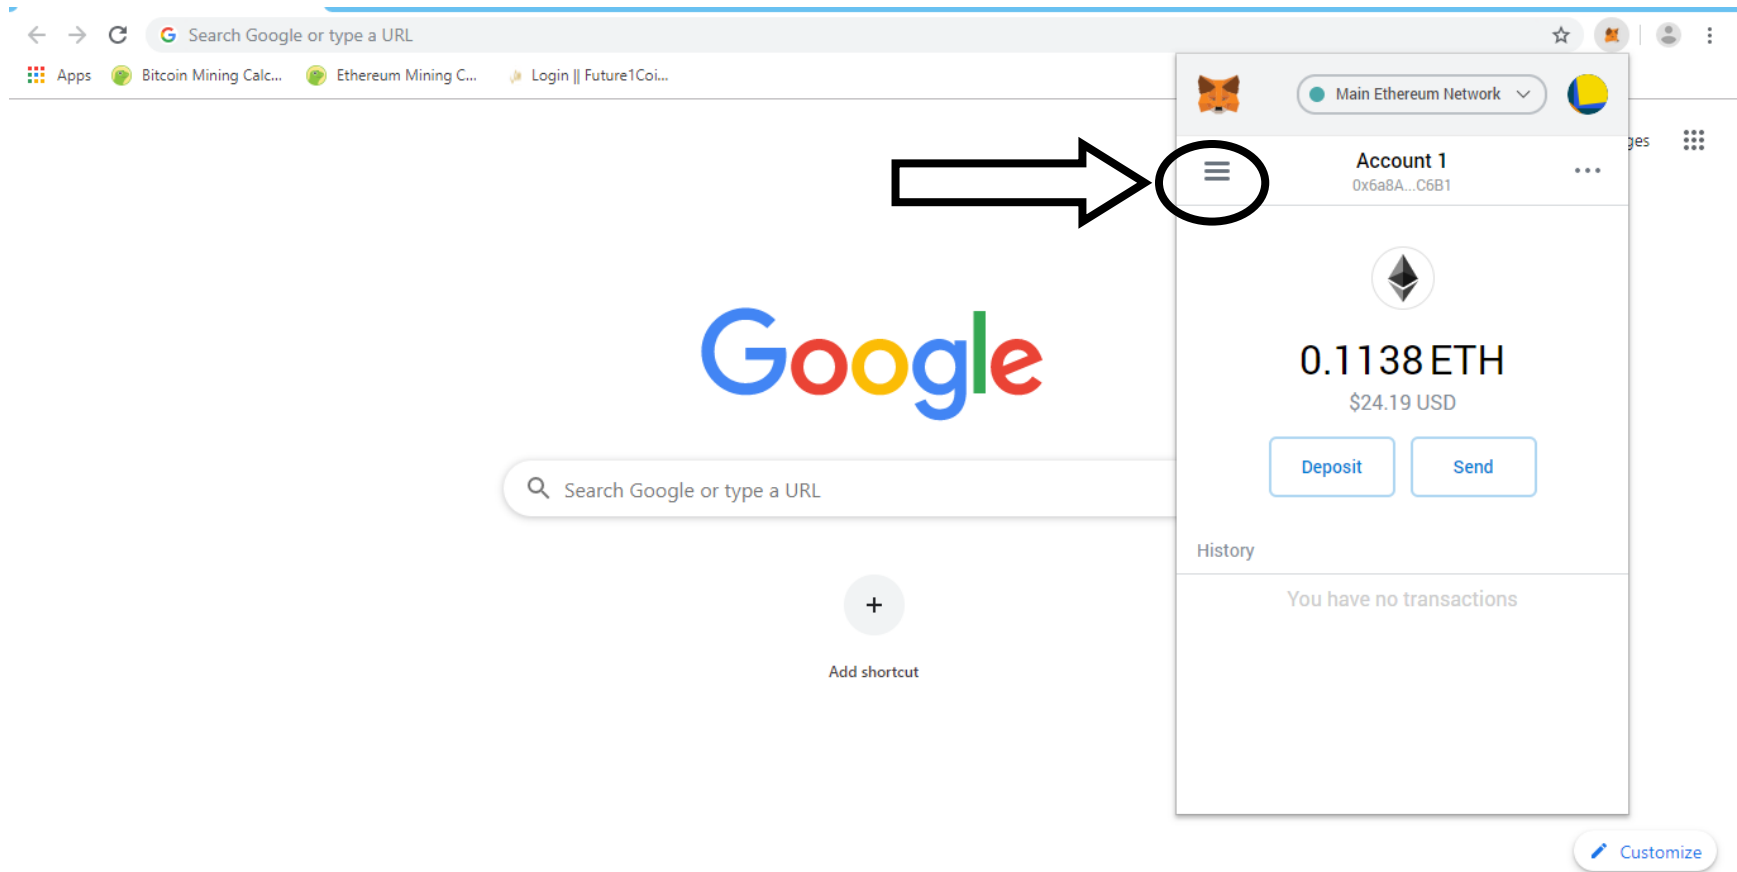

To import your ethereum wallet in to your Metamask Account, click on the circle and click Import Account. You can import ethereum wallet from your other Metamask account incase you have more than one account.

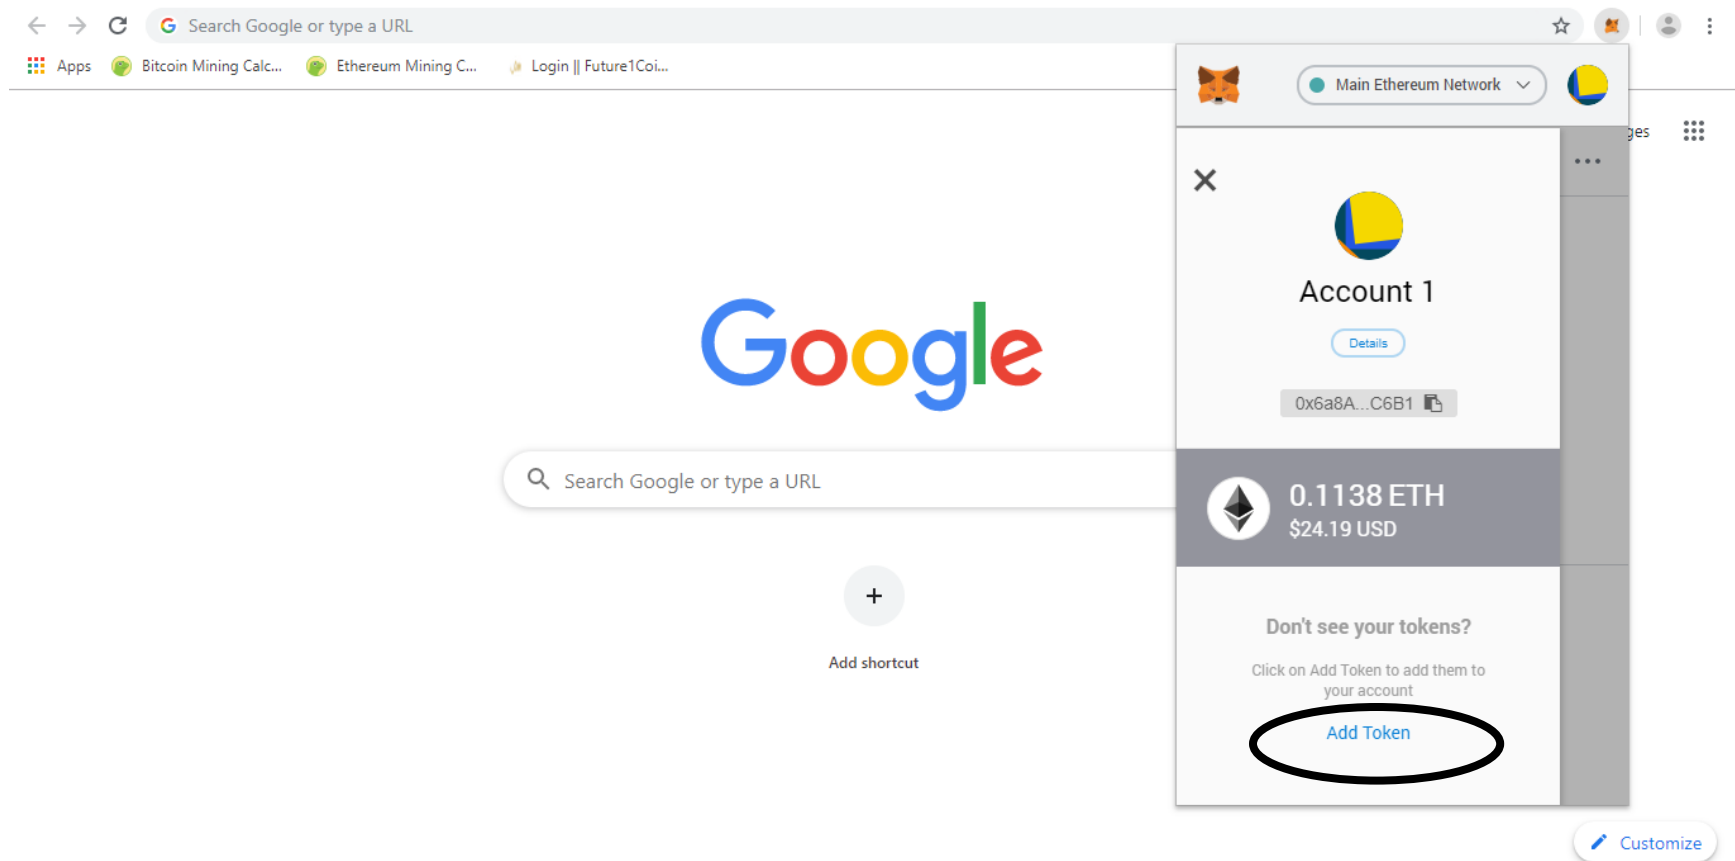

Mention the private key and click Import.

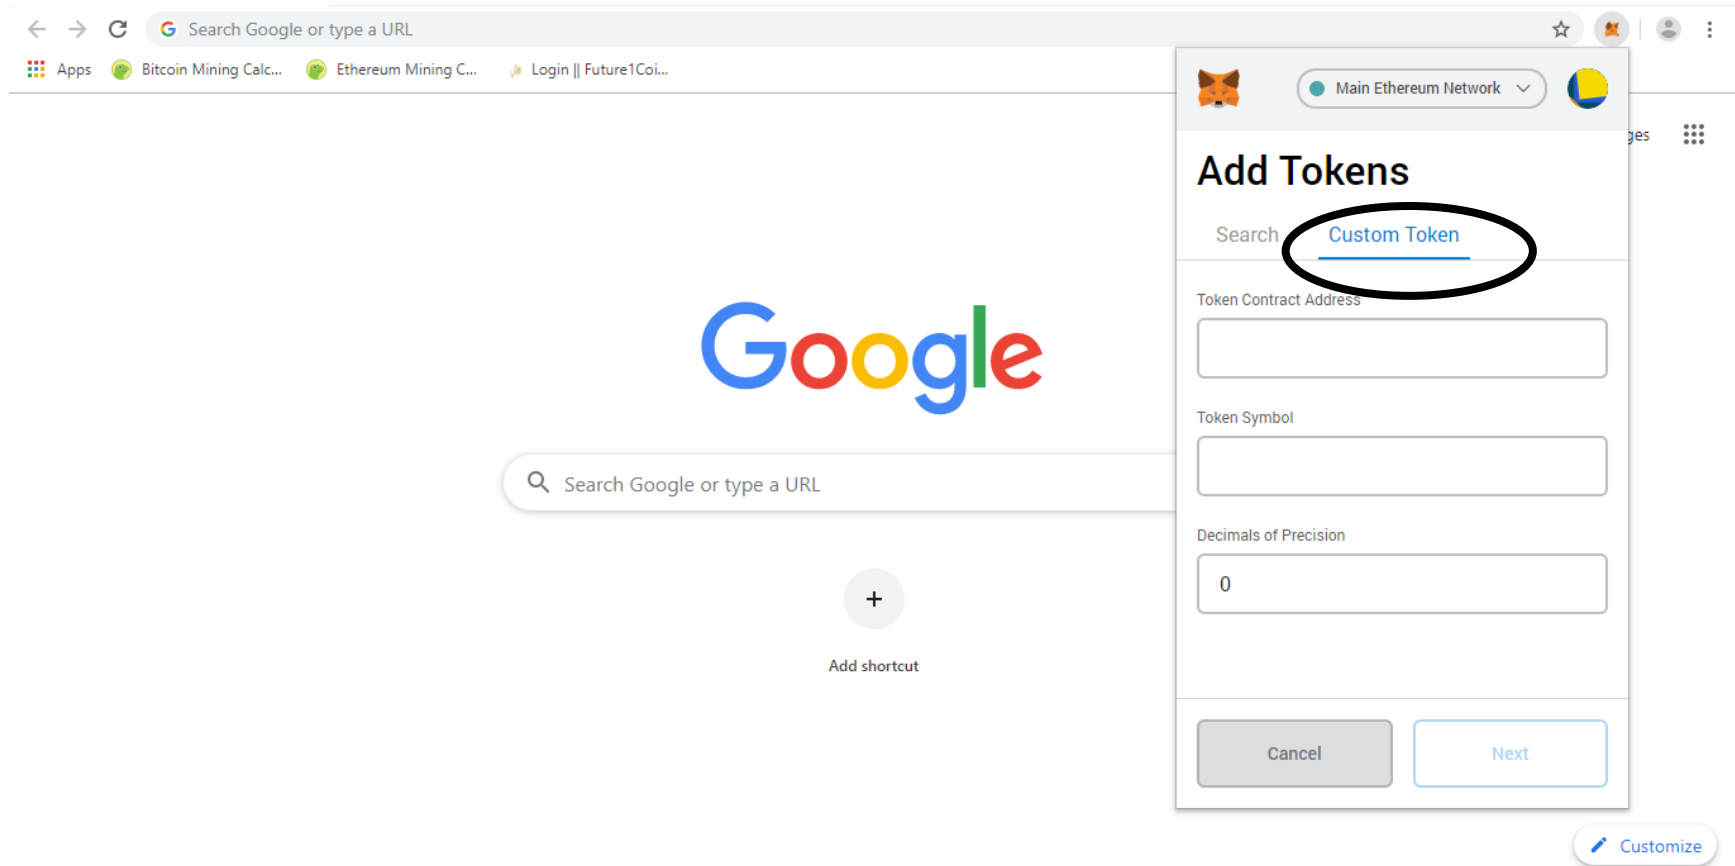

You can add Future1coin in your Metamask Wallet. Click on horizontal line.

You can click on Add Token

Click on Custom Token

Under Contract Address enter - 0xb0a0a070640B450eB136DC377208469ee4F49fbc

Under Token Symbol enter – F1C

Under Decimals of Precision - 18

The screenshot shows a web browser window with the Google homepage in the background. In the foreground, there is a modal window titled "Add Tokens" for the "Main Ethereum Network". The modal has two tabs: "Search" and "Custom Token", with "Custom Token" being the active tab. It contains three input fields: "Token Contract Address" with the value "0xb0a0a070640B450eB136DC377208469ee4F49fbc", "Token Symbol" with the value "F1C", and "Decimals of Precision" with the value "18". At the bottom of the modal, there are two buttons: "Cancel" and "Next". The "Next" button is circled in black. Below the modal, there is a "Customize" button with a pencil icon.
